

Using Symbols for Mental Health Online Workshop

18 November 2021

Highly
Engaging!

Symbols are powerful images that evoke feelings, understanding and hope for many of us. We wear, carry with us symbols because they have deep significance for us. In this workshop, we will share and demonstrate on how we can use **our personal Symbols to support and improve Mental Well being.**

Objectives:

- Learn how to work with symbols with your clients to explore meaning and purpose in life. Help them to create a connection to symbols to strengthen and support mental well-being .
- Learn what symbol work means and how it has helped persons with mental health concerns.
- Learn symbol work for the different age groups – primary, secondary and tertiary students and adults.
- Learn transformative work on supporting young people and adults.

Symbols

BLACKPINK

Who should attend?

Teachers, Counsellors, Youth Workers, Psychologists & others who are interested to support mental well-being for their students/clients or for themselves.

Participants will be guided through the process and stages for creating their own personalized symbol work.
