

JOURNEYING WITH GENOGRAMS, TIMELINES & STRENGTH CARDS

Course Overview

An experiential workshop focusing on how we can journey with those who consult with us. Through the use of Genograms and Timelines, the workshop will get participants to see how Strengths Cards can be used to add a different perspective to the journeys our “clients” embark upon with us accompanying them.

This workshop will enable you to experience the following techniques:

- ✓ How to use different card sets in combination to add richness and layers to their stories
- ✓ How to use the Genogram with Strength Cards throughout the helping process
- ✓ How to use Timelines with Strength Cards
